Bringing Wisdom into the World through the
Hearts of Women & Girls.™

How can you make a difference in this world?

I'm here to tell you, you CAN!

Create a better world by empowering women and girls!

Welcome to AboutWisdom.com! We are a company committed to bringing a new hope for girls and women across the world.

Our **Vision** is to: ***"Bring wisdom into the World through the hearts of Women and Girls."***

In a world that rewards the advancement of technology, affluence, and youth at any cost, the need for individual fulfillment has too often been neglected. The importance of wisdom and self-realization has been played down for centuries and replaced with external stimulants such as money, power, and social advancement.

Our **Mission** is to:

"Accomplish this Vision by developing and providing positive products that will increase the awareness & confidence of women & girls."

To be successful in completing this mission, **we need your support**. AboutWisdom is not reaching enough girls and women. We strive to see a planet of children who are raised by wise parents and who are well prepared to contribute to our world. Girls and women who are positive and confident can only be a beneficial contribution. Don't you agree?

Toward that end, we are asking for funds and/or a purchase of our book, "Sophia and the Seven Goddesses: A Journey of Self-Acceptance" and WisdomDolls™. Our book and/or dolls will be donated in your name to a library, school, needy individual and organization of your choice. We simply cannot keep up with the demand we are receiving a daily basis through our web site.

"Sophia and the Seven Goddesses" retails at \$18.95, and with shipping and handling (and sales tax in some states) the average cost is over \$22. To make this project as effective as possible, we are going to discount the books, and with shipping, make them available as gifts for \$15 (all inclusive). This way, we both donate the same amount. **At this price, you could offer a gift of 6 books for only \$90.** *If you also want to donate a WisdomDoll™ with your book, a discount applies.*

If there is a specific library or a school in your area that you wish to offer your gift to, simply supply the address and we will include a special card from you, and of course, make sure you get a receipt for tax purposes. If you would like for us to supply a charity, library, teacher for her classroom, school, etc., just let us know, as we have a list of takers.

Thank you, in advance, for your generous contribution.

NOW, you HAVE made a difference! Your generosity has empowered a girl/woman today!
